

Muchos verbos funcionan como el verbo gustar--es decir que usan un pronombre complemento indirecto (me, te, le, nos, os, les)

gustar- to like

encantar- to really like

fascinar- to be fascinated by

interesar- to be interested in something

importar- to matter, to be important

molestar/fastidiar- to annoy

faltar- to be missing or lacking

disgustar- to dislike

aburrir- to be bored by

Ejemplos:

Me fascinan los animales.

A mi madre no le interesa la música.

Escribe en español:

1. My girlfriend is not interested in sports.

2. Clothes don't matter to me.

3. You like cars a lot, right?

4. Dogs annoy my dad.

5. I'm not interested in biology.

6. My problems are important to my teacher.

7. I can't stand Italian food.

8. Languages fascinate me.

9. I'm short (missing) one book.

10. My mother doesn't like football, but I LOVE it!!

11. Who doesn't like pizza?
